

## Best Online Casino Information

Poker has grown in popularity over the past few years. So much so that it is now regularly televised event on several cable stations. The popularity of Poker and specifically Texas Holdem stems from the fact that Poker is so easy to learn. Beginners can comfortably start playing Poker within minutes.

---

## Texas Holdem

Texas Holdem is a poker game in which each player receives two cards (hole cards) dealt face down, while five cards are dealt face up on the table. All players play their best five cards using any combination of their two downcards and the five common cards on the table. The best five-card poker hand among those in contention for the pot wins.
